

## **Job Description for Program Coordinator - Energy and Water services**

**13<sup>th</sup> June 2017**

### **Job Summary**

TIDE is a Bangalore based NGO working on facilitating sustainable development in communities through technology interventions. One of the focus area of work at TIDE is Energy and Environment services and VidyutRakshaka (VR) is a growing popular initiative in this focus area. Through VidyutRakshaka, TIDE is facilitating electricity conservation (including energy consuming water devices) through behaviour change, introduction of efficient appliances and renewable energy interventions. The program works with individual houses and communities in Bangalore and is going to be extended to other cities shortly. TIDE is looking for a project coordinator for VR program.

### **Job responsibilities:**

1. Motivate and provide necessary support to communities and institutions in Bangalore to join VidyutRakshaka program and meet program goals in energy and water conservation
2. Identify and engage with grass root partner for scaling VidyutRakshaka program to another city in Karnataka and manage it
3. Engage with stakeholders including funder and utility service providers
4. Provide support to participants for implementation of energy and water saving recommendations
5. Keeping abreast with and apply latest technologies / policies in the area of Energy and water
6. Provide inputs and participate in collecting, analysing and using data based evidence for energy and water consumption management
7. Write reports, and present the work at relevant forums

### **Necessary attributes of candidate:**

- Bachelors or Masters in Environment / Energy / Water or related subject areas.
- Subject expertise with strong analytical capability
- Excellent oral and written communication skills in English and minimally spoken knowledge of Kannada
- Willing to travel extensively within Bangalore and also to one selected Tier 2 / SMART city in Karnataka where VidyutRakshaka program would be scaled
- Should be able to work in a diverse team and with various partners and stakeholders

**Preferred attributes of candidate:**

- Freshers are welcome to apply; however preference will be given to candidates with 1-3 years of work experience particularly in development sector
- Candidate should be self motivated, resourceful and responsible
- Should be passionate about energy and environment sector to engage across a range of issues and stakeholders

Salary will be commensurate with experience/qualifications and in line with the market and organizational policy.

**Interested candidates may please send their resume to the mail address [vidyutrakshaka@gmail.com](mailto:vidyutrakshaka@gmail.com) with a copy to [info@tide-india.org](mailto:info@tide-india.org) with the subject line 'Application for Program Coordinator – Energy and water services' before 30<sup>th</sup> of June 2017.**
