

## **Job Description for Project Executive for school programs on environmental sustainability**

**5th March 2019**

[TIDE](#) is a Bangalore based NGO working on sustainable development through technology interventions. One of our evolving focus areas is engagement with school children for introducing environmental sustainability.

The school engagement ranges from conducting awareness sessions / activities to sharing knowledge tools and implementations of projects in campus. A curriculum has been developed by TIDE for the purpose. The engagement is designed as an extra-curricular activity and has scope to be driven by volunteers (corporate or others). The project has good response from various schools, teachers and students in this regard (see a movie about one of our school projects [here](#)). It has scope to expand to include larger engagement including community outreach.

TIDE is looking to recruit a candidate to be a part of the school program team and to carry out project activities with focus on urban sustainability. We welcome fresh graduates with science /engineering background to apply for the position. The candidate should have a basic understanding of environmental sustainability, interested in educational sector and be passionate about the cause. The immediate requirement is for Bangalore and surrounding areas and may expand to other parts of Karnataka and Chennai later. The position offers career growth opportunities for youngsters with passion for environment.

### **Job responsibilities:**

- Work with the team to plan and implement the project activities
- Coordinate between the school and volunteers
- Plan implementations in the campus (e.g. solar roof top, water harvesting, efficient electrical equipment, etc)
- Track impact and report

### **Essential Attributes:**

- Willingness to travel extensively within Bangalore and outskirts
- Scientific temperament
- Excellent communication skills and networking abilities
- Passion for environmental sustainability
- An enthusiastic and go-getting spirit
- Kannada language skills

### **Preferred attributes**

- Commitment to the job for a minimum of 3 years

Salaries will be commensurate with qualification, skills and experience, if any and at par with market. Please send your resume to [info@tide-india.org](mailto:info@tide-india.org) with title 'Application for School program position'.
