

**Job Description – Project Manager for Integrated Water Management**

[Technology Informatics Design Endeavour \(TIDE\)](#) is a 27-year-old Bangalore based NGO providing technology solutions for societal needs. TIDE seeks a full time Project Manager for '**Integrated water management in urban areas as a core task of municipal service of general interest**'. The program will take place in two municipal towns in Karnataka.

Job primary role is overall project management.

**Responsibilities include:**

- Coordination & communication with partners
- Liaison with Government, including Municipalities
- Team management, mobilisation and work planning
- Preparation of necessary documentation and reports
- Budget management
- Strategizing for deep impact

**Expected qualifications:**

- Bachelor's / Master's in Engineering, preferably with a business qualification
- 7+ years of experience in project management in senior role, preferably in water related themes
- Excellent communication skills in English and Kannada
- Well versed in documentation including technical writing
- Experience of working in small towns, particularly in Karnataka
- Proven ability in working with Government at municipality level
- Ability to work in teams with multiple and diverse partners
- Ability to leverage organization strengths for the program

**Terms of employment:**

- The employment will start with a probationary period of two months, and will be confirmed on satisfactory performance.
- Location of employment is TIDE's office at Bangalore with frequent travel to the selected towns
- Salary package will start from 9 Lakh per annum for a candidate with the required qualifications and the final offer will be based on relevant expertise and experience

**Selection process**

Interested candidates are requested to fill [this form](#) before 18<sup>th</sup> December 2020. A selection committee at TIDE will assess, shortlist and conduct interviews to choose a suitable candidate for the position. The candidate is expected to take over the responsibilities starting January 2021.
