### **Job Description – Social mobilizer for Integrated Water Management project**

[Technology Informatics Design Endeavour \(TIDE\)](#) is a 27-year-old Bangalore based NGO providing technology solutions for societal needs. TIDE seeks a full time Social mobilizer for the project '**Integrated water management in urban areas as a core task of municipal service of general interest**'. The program will take place in two municipal towns in Karnataka.

#### **Primary responsibilities include:**

- Community mobilization and awareness creation
- Conduct surveys at household and community level
- Assist in coordination with the municipalities
- Organize field level workshops, meetings and events as required in the project
- Support in arranging necessary logistics and supplies for the project interventions

#### **Qualifications:**

- Any Bachelor's degree
- 3+ years of experience in field work, preferably in similar project
- Comfortable in surveys, data collection and management
- Proficient in Kannada
- Experience in working with Government at municipality level
- Basic understanding of community level water management
- Team player

#### **Selection process**

Interested candidates are requested to fill [this form](#) before 18<sup>th</sup> December 2020. A selection committee at TIDE will assess, shortlist and conduct interviews to choose a suitable candidate for the position. The candidate is expected to take over the responsibilities starting January 2021.
