

Technology Informatics Design Endeavour (TIDE)

Job Description

Community Mobilizer for Integrated Water Management Program

28th October 2024

Technology Informatics Design Endeavour (TIDE) is a 30-year-old Bangalore based NGO providing technology solutions for societal needs. TIDE is seeking a community mobilizer on a 6-month contract for **“Implementation of Simplified Sewer System and Decentralised Sewage Treatment Plant at Kandavara Economically Weaker Section Colony, Chikkaballapura.”**

This program is being implemented in partnership with the DMI Housing Finance Private Limited. The main objective of the project is to provide 62 households access to functional Individual Household Toilets by providing access to a Simplified Sewer System and a Decentralised Sewage Treatment Plant in Kandavara Economically Weaker Section colony, Chikkaballapura.

Primary responsibilities include:

- Community Mobilization and Awareness Creation for Kandavara colony residents
- Conduct surveys at the household and community levels.
- Assist in coordinating with the municipalities.
- Organize field-level workshops, meetings, and events as required for the project.
- Support the arrangement of necessary logistics and supplies for project interventions.

Qualifications:

- Bachelor’s degree in any field.
- Over 3 years of experience in fieldwork, preferably in similar projects.
- Comfortable with surveys, data collection, and management.
- Proficient in Kannada.
- Experience working with government entities at the municipality level.
- Basic understanding of community-level water management.

Salary will be at par with the sector for candidates meeting the above requirements. The final offer will depend on the candidate’s qualifications, expertise, and experience.

Selection process

Interested candidates are requested to submit their CV to sasi.priya@tide-india.org and anuradha.n@tide-india.org by **5th November 2024**. Shortlisted candidates are invited for an interview to select a suitable candidate. The selected candidate is expected to assume responsibilities by early December 2024.
